

LAURIE SWAMI
Senior Vice President
Decommissioning and Nuclear Waste Management

Ms Swami is the Senior Vice-President of Decommissioning and Nuclear Waste Management at Ontario Power Generation. Her responsibilities include overseeing operation of OPG's Nuclear Waste Management facilities as well as implementing OPG's Low and Intermediate Level Nuclear Waste Deep Geologic Repository. She began her career at OPG in 1986 and has held various roles with increasing responsibility in OPG's Nuclear Division. She holds a BSC in Engineering Chemistry from Queens's University and an MBA from Schulich School of Business. Ms Swami is a member of the Board of Governors for Nuclear Waste Management Organization (NWMO) and University of Ontario Institute of Technology (UOIT).
